Re: Cornell-Dubilier Electronics Site - Administrative Order on Consent for Removal
Action, Index No. II-CERCLA-98-0115
Progress Report No. 23

Dear Sirs:

As specified in Paragraph 50 of the above-referenced Administrative Order, on behalf of Respondent Cornell Dubilier Electronics, Inc. (CDE), ENVIRON Corporation (ENVIRON) is submitting this progress report which summarizes activities conducted pursuant to this AOC between June 17, 1999 and June 30, 1999.

Completed Activities

During this period, the following activities were completed:

- Contacted Property B owner to determine if a decision has been reached regarding a second coat of stain on the new fence.
- Temporary fence restoration at the staging area on the Hamilton Industrial Park site was completed. Final restoration of the fence is to be performed following completion of the pending Tier II removal action.
- Provided notification of a change in landscape contractor for restoration work to be completed on Property N. Notification was submitted to USEPA on June 23, 1999.
- Completed data validation reports for all verification samples; validation reports are to be provided to USEPA as part of the final removal action report.

Ongoing Activities

During this period, the following activities were initiated and/or are in-progress:

- Preparation of the final removal action report.
- Initiated corrections/repairs to restored areas at Property N that were identified by property owner.
- Distributed routine reminders to property owners regarding proper watering of restored areas.

Two-Week Schedule of Planned Activities

No additional activities are expected to be initiated during the next two-week period (July 1, 1999 through July 14, 1999).

One-Month Schedule of Planned Field Activities

During the next four-week period (July 1, 1999 through July 28, 1999), the following field activities are planned:

- Completion of repairs/corrections to restored areas at Property N.

Please call Mark Nielsen or me at (609) 452-9000 if you should have any questions regarding this progress report.

Sincerely,

Michael P. Scott
